The diagram shows a vertical rectangular box representing a node in a linked list. The box is divided into sections. The top section is labeled 'AuxData'. Below it are four fields: '+ iOp', '+ iArg', '+ pAux', and '+ xDelete'. A blue curved arrow originates from the right side of the box, passing between the '+ iArg' and '+ pAux' fields, and ending with a small diamond head pointing to the right. To the right of the arrow is the text '+pNext'.
